Cuero's Christmas in the Park

On behalf of the December Events Committee (DEC), we would like to apologize for not giving proper notice of the donor display signs not being erected this year. Due to this year's circumstances with COVID-19, lack of volunteers, and the safety concerns and the well-being of our City employees, it was decided to print a directory to hand out.

We realize that this does not replace the sentimental value of each donor display sign, but due to tremendous growth, we realized this would be the best route to go due the lack of assistance, space, and concerns of the pandemic. Our initial goal was to have our directories available on opening day, but this year has been unprecedented and the directories were delayed.

The committee held a public meeting on December 8th and concerns were made and heard by community members. It was decided that the donor display signs would not be erected this holiday season, but the committee has voted to look at other available options for displaying the signs next season.

We greatly appreciate all of the community support and understanding along with our visitors throughout this season and we look forward to an even better experience of Cuero's Christmas in the Park in 2021!!!

Have a blessed Christmas and a Happy New Year!
December Events Committee
